

# Hanging Flower Basket Maintenance Program

Spring is here! The weather is warming up and summer is just around the corner. It's time to beautify the streets of Port Townsend with colorful hanging flower baskets. The flower baskets add so much to the beauty of our town, thank you to everyone who participates.

*The baskets are ordered through Henery's Garden Center*, they will be sending order forms to businesses that have ordered baskets in the past. If you are interested in ordering baskets, please call 385-3354 or email [henerysgardencenter@olypen.com](mailto:henerysgardencenter@olypen.com) and they will send you the information.

The Port Townsend Main Street Program hires an independent gardening assistant to make sure the baskets will receive top care and attention for the season, 21 weeks! This includes **securing the baskets to discourage theft, watering, fertilizing and maintaining the flowers**. We offer this maintenance option to those businesses which find it easier to use an outside service for the season. *The maintenance price is for the season, 21 weeks, from mid May - September 30.*

Maintenance prices for the season (May 13-Sept. 30)	Main Street Member Price	Non-Member Price

3 Baskets	\$200	\$250
4 Baskets	\$220	\$275
