

# 2024 Hanging Flower Basket Maintenance Program

Spring is here! The weather is warming up and summer is just around the corner. It's time to beautify the streets of Port Townsend with colorful hanging flower baskets. These floral displays are a cornerstone of our town's allure, enriching our surroundings with color and vitality. Thank you to everyone who participates. The Port Townsend Main Street Program is now taking orders for the baskets and signing up merchants for the watering program. The hanging flower baskets will be hung up in mid-May.

While this year presents some challenges due to shifts in our suppliers, the dedicated team at Port Townsend Garden Center is diligently sourcing alternatives. Though we anticipate offering primarily 12-inch baskets, we are exploring options for larger varieties to further enhance our streetscape.

Our Main Street Flower Basket Maintenance Program will bring out the beauty of the baskets through the season -this includes watering 5 days a week, dead heading and fertilizing. Our goal is to have beautiful baskets for the public to enjoy from mid-May through September.

**SIGN UP TODAY!** Please email this form back to [admin@ptmainstreet.org](mailto:admin@ptmainstreet.org) by **April 26th, 2024**.
